COUGAR

CANBY UNION HIGH SCHOOL

Dedication

To you, Mr. Austen, we dedicate the 1968-69 Cougar for all your services in the schools of Canby and in other numerous community organizations.

Mr. Austen spent nine years in the Marines, of which six months he served in Korea in 1951. He attended Multhomah School of the Bible, Cascade College, and Oregon State University. He and his wife, Anita have five children. They are Wayne, 22; Dale, 19; Carol, 16; Paul, 11; and Timothy, 10. They began their married life in Los Angeles and moved to Oregon in 1953, where he owned and operated a five-acre farm. In 1955, the family again moved to Portland as Mr. Austen decided to further his education. CUHS hired him in 1961 as a teacher in the social science department and in counseling. Three years later he became guidance director and head of counseling department.

Besides these duties, Mr. Austen is active in his church serving as a social science teacher for adults, has been a deacon, and occasionally speaks as a lay minister. Mr. Austen was elected to serve as a trustee for Western Conservative Baptist Theo Seminary. He is a member of the Canby Kiwanis Club, chairman of the Metro Testing Board in Portland and is a coordinator at Clackamas Community College. He also serves on the Carus School Board.

Judy White, Treasurer; Donna Humston, Secretary; Howy Kyrk, Yell Leader; Nick Gitts, Sergeant at Arms; Gary Stewart, President; Matt May, Vice-President.

Senior Class

The leaders of the Senior Class 1968-69 were President, Gary Stewart; Vice President, Matt May; Secretary, Donna Humston; Treasurer, Judi White; Sergeant at Arms, Nick Gitts; and our comical yell leader, Howy Kyrk. Those representing the senior class in Student Council were Le'Anne Hall, Dennis Higginbotham, and Joe Cacka. Our class advisors were Mrs. McDonald, Mr. Nichols, and Mrs. Cannell.

One of the highlights of the fall season was the Powderpuff Football game, in which the Senior girls defeated the Sophomore girls. Also, we took second place in the One Act Plays with Carol Lang winning the honor of best actress.

Judi White was elected Homecoming Queen, with Teresa Kletzok as Senior Princess. At half time, Wayne Kraft, ASB President, escorted Queen Judi and Gary Stewart, Class President, escorted Princess Teresa. At the dance, Queen Judi was escorted by Joe Hostetler and Princess Teresa was escorted by Bob Coates.

The seniors won the Canned Food Drive at Christmas time which gave our foreign exchange student from Thailand, Sammi Bunsongsikul, the title of Queen of the Miss Merry Christmas Dance. Jim Gernhart proudly escorted Queen Sammi at the dance.

On March 8, the Junior-Senior Prom was held, with the theme of "Camelot." The 1969 Prom Queen was Jenny Knopp, escorted by Junior Class President, Jon Yoder. The Senior Princesses were Cindy Evans, escorted by Mickey Ott, and Donna Humston, escorted by Frank Brown.

The senior representatives on the May Day Court were Queen Kathy Cutsforth, Crown Princess Carol Lang, Senior Princesses Mary Birkemeier and Laurie Davis. Kathy was crowned amidst the theme of "Sugar and Spice."

Remember When . . . ?

In this year's Commencement program, a few changes were noted. No Valedictorian nor Salutatorian was recognized. Instead, those students having a 3.5 or better point average were acknowledged at an earlier time. Four speakers were chosen from a group that tried out before a panel of judges. The speakers chosen are shown at left with senior class advisor, Mr. Nichols, with the exception of Le'Anne Hall. They are Wayne Kraft, Libby Kramm, and Dennis Higginbotham.

Other changes were that the Honor Society members were not recognized nor were the Departmental or Honor Plaque Awards. These changes were made with the idea that graduation is to recognize everyone and not a select few.

Junior Class

The Junior Class during the year of 1968-69 got off to a rather slow start, but picked up after a month due to the superior officer selection. Jon Yoder, acting as President, managed to carry meetings with full force and the Vice-President, Monte Brachmann, backed our president to the fullest extent. Greg Kropf, first male Secretary in the history of the school, tried to make class meetings worth coming to by spicing up the minutes. Cathi Rabe was a superior Treasurer and got the figures out on time. Wendall Jackson, Sergeant at Arms, always led a rousing flag salute and managed to control the "rowdies." Don Hopkins, third year as Yell Leader proved as good as his previous years. Gary Peterson and Wilbur Kauffman, Class Representatives, kept up junior class duties in Student Council.

A few minor dances after games brought in a little money, but made no major hit with the school. The Donkey Basketball game proved a big success though and great mounds of greenbacks were scooped up as profits.

The big event of the year to many juniors and seniors was the Junior-Senior Prom. Cathi Rabe and Jane Graham were our class princesses. Huge crowds pushed through the doors opening night. (It was free.)

All in all, the junior year was the most fun and most prosperous year so far in our history. We hope for a senior year to top all others before us. It could be another Golden Era!

FRESHMEN

Rod Lucich, President; Geno Ius, Vice-President; Marie Kocher, Secretary; Carol Plummer, Yell Leader; Susan Kraft, Treasurer.

Freshman Class

The Freshman Class of 1968-69 achieved its first goal of the year by winning the annual Magazine Drive. The next highlight of the year was Homecoming with Sue Kraft representing the freshman class.

Freshman students worked hard on the Canned Foods Drive in December, but came in fourth in class competition. Mary Kenney was our class selection for Miss Merry Christmas Princess.

The fall and winter months contained many frosh sports activities. The football team, wrestling squad, and basketball team all show promise of making the year of '72 a year to remember.

With the coming of March, May Day Princesses were elected. Mary Stricker and Barbara Telford will represent the freshman class at the May Day exercises.

Next year, the freshman class will continue to be a hardworking sophomore class.

This year's May Day foretold the various stages of a girl's life from the time she is only months old until she is at last a young lady. Favorite numbers were "Second Hand Rose" featuring Melody Sperb, "Tammy" performed by Cecil Baggenstos and Mike Altenhofen, and "Hey! Look Me Over." For variety, the Canby Grade School fourth graders wound the May Pole, and Mrs. Dick Brown, Mrs. Lance White, and Miss Ghormley were featured in "Maria."

The theme of "Sugar and Spice" was carried on through the following evening at the Queen's Ball.

A winning record was not in Canby's possession when the long season finally ended. Though the result was 0 wins and 9 losses, this was not indicative of the way the Cougar team played. There was plenty of fast action through the whole season. One outstanding feature noticed by many Cougar followers was that the squad never gave up. They kept fighting to the very end for a win.

Congratulations to Nick Gitts who was placed on the Wilco League Honorable Mention All-Star list. The best of luck to Coach Graham and his team next year.

Varsity Basketball

The basketball team had bad luck this year. Some of the games they played were very exciting and the scores were close, but they actually won only two games. The important thing to be said for the team is that they never gave up fighting for a minute. And, because of this, as the season passed, the spirit of the Canby rooters never diminished.

Coach Davis says, "The second half of the season was marked by many exciting games. Because of our lack of size, we wound up on the short end of the score, but never on the short end of hustle and competitiveness. I was tremendously proud of our team and student support." Congratulations are in order for Mike Altenhofen who received honorable mention on the all-league team.

Almost all of the team wrestled on Varsity at one time or another this year, thus eliminating Junior Varsity. In league, we tied with Estacada and Silverton for first place, winning seven and losing one. Managing the team were Doug Carpenter and Clark Yoder.

Coach Calvert had this to say about his team and the season: "Our season was not as successful in the win-loss column as we had hoped for. We won five games, lost sixteen, and tied one. But this year's squad exhibited qualities that all athletes must have such as desire, competitive spirit, and a willingness to work hard to improve in the skills necessary to compete.

In summing up this year's play, we were unable to put together all the qualities necessary to win, but did play fine ball at times."
